POPO TEAM

INTRODUCTION

200X A. D. The earth

Garbage is everywhere because people are dumping litter carelessly. Dr. Po Po is concerned for the place where he lives. He therefore made up his mind to save the beautiful planet.

He spent three months inventing an auto-tracing garbage collector – CHI CHI PO – a super garbage-eating machine. Now, Fellow humans, it's time for the mission impossible!

BACKGROUND

The amazing game word is made up of six stages : CITY, FOREST, DESERT, OCEAN, INDUSTIAL, COMPLEX, and SPIRITUAL WANDERLAND. Six courses of each stage compose sixty course in the game. Besides collecting all the garbage, you have to keep the interfering villains from the magic CHI CHO PO tube and achieve the great object.
